

The Hawkesbury Stores' Hare Design Challenge!

Hawkesbury's community shop will be taking part in the 2017 Cotswold Hare Trail, by displaying an 18inch/46cm tall 'leveret' (baby hare) in the shop window from 25 March.

But our leveret is completely white at the moment, and we'd like your ideas for how he/she should be decorated.

Use this template to design your hare, fill in your details below, and return it to Hawkesbury Stores by **Tuesday 28 February***.

The winning design will be painted onto the leveret and – when the hare trail finishes – the statue will be auctioned in the village, with proceeds going to charity.

People will travel from all over the Cotswolds following the trail, so your design could be seen by hundreds of hare-hunters! Good luck!
